**ARTICLE 1
FUNDING, ACCOUNTING & FINANCIAL REPORTING**

The starting point for all National Festivals is the preparation of a contract between the American Turners and the Turner Society that has been awarded the Festival by the American Turners National Council. A required approved addendum to the contract is a budget in support of the total Festival estimated cost that has been incorporated within the body of the contract. The net cost of the National Festival is fully paid from the American Turners Festival Fund. The budget breaks down the estimated net cost into major categories, for financial reporting and accounting purposes, to arrive at the estimated new cost. A sample contract is attached as Exhibit I. A sample budget is attached as Exhibit II. Additional categories may be added as needed or deleted if not needed.

It is the responsibility of the Treasurer of the Local Festival Committee to establish a Festival bank account in the host city and to set up accounts for recording receipts and disbursements in conformity with the approved contract and the categories as defined in the budget. It is also his/her responsibility to be sure that all disbursements are approved in accordance with the requirements of the contract and to prepare and distribute the financial reports and documents as specified. It is the responsibility of the Chairperson of the Local Committee to be sure that expenditures do not exceed the limits as agreed on in the contract and budget. The Turner National office and the National Festival Auditor are responsible for reviewing the major expenditures and the local Society's monthly financial reports to be sure that the Local Committee keeps its expenditures within the terms of the contract and budget.

It is the responsibility of the National Treasurer to write checks for major expenditures (as provided for in the contract and budget) directly from the National Festival Fund. The National Treasurer also writes occasional minor checks to reimburse the Festival expenses of the National Chairpersons of the Cultural and Physical Education Committees directly from the National Festival Fund. Any disbursements made directly from the Festival Fund is reported to the National Festival Auditor each month.

The National Festival Auditor works with the National office and the Local Festival Committee in drawing up the Festival contract and budget. He/she is also responsible to set up worksheets in order to compile consolidated financial reports derived from the records maintained by the Treasurer of the Local Festival Committee and the National Treasurer. He/she is to review the monthly bank reconciliation of the Local Festival Treasurer and review the expenditures for accuracy, proper approvals and compliance with the contract and budget. Any discrepancies must immediately be brought to the attention of the Local Festival Committee and the National office. At the end of the Festival he/she is to review all the accounting records and bank statements from both the Local Festival and the National Treasurer and prepare final financial reports from the audited Treasurer's records and his/her own worksheets. He/she must determine the amount due to the Local Society for its share of the net revenue items as specified in the contract and budget and wind up by preparing a final comparative Festival financial report that compares actual amounts to the budget amounts.

Divide the women's competition into 3 divisions - Juniors (11-17) and Actives+ (14+) - both using a 7' 4 1/8" net height, and Seniors (50+) - using 7' 2 1/8" net height.

NOTE: It is permissible for a person to play in more than one division.

Examples: A 55 year old man can play in the Actives+ division AND the Seniors (55+) division, as long as the two divisions do not overlap court time. A 45 year old woman may play on the Men's Active+ division AND in the Women's Active+ division.

In addition to the above divisions, a **Co-ed** competition will have 3 divisions: 11-17, 18+ and a Senior Division (50+ for women and 55+ for men). Both the 11-17 and 18+ divisions will use a 7' 11 5/8" net height and the Senior Co-ed division will use a 7' 9 5/8" net height. Each team must have a minimum of 2 male and 2 female players on the court and all players must rotate positions.

6. For Turner Societies unable to field a team, teams composed of players from 2 or more Societies may be formed with permission of the NHPE Chairperson or the National Volleyball Coordinator. (District teams should be formed first, then conglomerate teams) This is to permit individuals from Societies having low numbers of Festival participants to participate in volleyball. (However, individual players may play on only one team per division.)
7. USA Volleyball rules govern all situations not covered by the above. This includes - rally scoring in all games with 2 point difference required to win a game (except where indicated otherwise), Libero player may be used in any competition, unlimited individual substitution (12 max team subs) permitted, and a let service is a good. (Exception: "continuous" rotation using 7 or 8 players may be used - if requested in advance and followed throughout an entire game.)
8. Society points will be awarded in each of the 8 "divisions" as follows:
 - a) 1st - 60 pts, 2nd - 54 pts, 3rd - 48 pts, (etc -decreasing 6 points per place),
 - b) If less than 6 players on a team, then points reduced accordingly, and
 - c) If a team has players from several Societies, the Society points for that team will be prorated among the Societies, according to each Societies' percent of participation.
9. A Society may enter more than one team per division.
10. Volleyball Formats:
 - a) 2 teams in a division: It is recommended having one match; best 3 out of 5; 25 point rally scoring games 1-4 (and 15 points for the 5th game if needed).
 - b) 3 teams in a division: Pool play; One 25 point rally scoring, no cap; 30 minute time limit game per match; 3 matches in pool play, followed by playoff where 3rd vs 2nd in best 2 of 3 (21, 21, 15) followed by winner vs 1st in best 2 of 3 (21, 21, 15 if needed). (approx. 3 - 3 1/2 hours)
 - c) 4 teams in a division: Pool play; round robin- One 25 point rally scoring, no cap; 30 minute time limit game per match. 6 matches in pool play (on 2 courts), followed by playoff where 3rd vs 2nd and 4th vs 1st in best 2 of 3 (21, 21, 15), followed by winners playing for 1st and 2nd in best 2 of 3 (21, 21, 15 if needed) and losers playing in consolation match for 3rd and 4th (One 25 point no cap game). (approx 3 1/2 - 4 hours)
 - d) 5 teams in a division: Pool play; full round robin (10 matches) on 2 courts; One 25 point rally scoring, 27 point cap; 25 minute time limit on the pool play matches. Play offs limited to top 4 teams with 1st vs 2nd for 1st & 2nd place and 3rd vs 4th for 3rd & 4th place (both best 2 of 3, all 15 points, 17 cap on first two, no cap on deciding game). (3 1/2 - 4 hours)
 - e) 6 teams in a division: It is recommended dividing into 2 pools of 3 teams each and playing a mini round robin within each pool; One 30 point rally scoring game to constitute a match, between each of the 3 teams within each pool, to be followed by a playoff between the pools where pool A 3rd place plays pool B 2nd place (and B2 vs A3) followed by A1 playing winner of the 1st match and B1 playing winner of M2. These are followed by winners of M3 and M4 playing for 1st and 2nd place and losers playing for 3rd and 4th place. All of the playoff matches could be best 2 of 3; 15 point rally scoring games. If a 30 minute time limit is imposed on pool play matches, the total time would be approximately 3 - 3 1/2 hours.

- f) 7 teams in a division: Pool play only. Full round robin (21 matches); needs 3 courts; One 30 point rally scoring game per match (30 minute time limit but must win by 2 points). No playoffs, except in case of ties for 1st, 2nd and/or 3rd places, which requires one 15 point game to decide final position. (approx. 3 ½ - 4 hours)
- g) 1 team in a division: No play, or possibly have exhibition match(es) with closest similar division.
- h) Tie Breaking:
 - 1. Where all tied teams can still advance to 1st place. Use results of head to head match(es) to determine playoff position. If 3 way tie, then use total differential scores. If still tied then flip coin.
 - 2. Where lesser of teams would be excluded from playoffs or advance to higher position. A single 15 point game (no cap) to break two-way tie.
 - 3. Projected times stated above excludes additional 20 minutes per 15 point tie breaker.

SECTION II

METHOD OF ACCOUNTING POINTS FOR SOCIETY, INDIVIDUAL AND SPECIAL EVENTS

Scoring for all Events is as follows:

First place 10 points
Second place ... 9 points
Third place 8 points
Fourth place ... 7 points
Fifth place 6 points
Sixth place 5 points
Seventh place .. 4 points
Eighth place ... 3 points
Ninth place 2 points
Tenth place 1 point

SECTION II - UNIT 1 GYMNASTIC SCORING

1. Upon recommendation of the NHPEC the above scoring table is to be used in tabulating Society and individual points.
2. To reduce confusion, all routines in all age groups and levels will be judged on a scale of ten (10) points for each exercise, except men ages 7-29 will be judged based on current USAG scoring.
3. For individual points, a gymnast's score for each event is to be totaled and becomes the individual All-Around gymnastic score. This score is to determine individual awards in each of the age groups and levels. The All-Around score does not earn Society points.
4. Each individual event for a gymnast that earns 1st thru 10th place shall earn Society points according to the table above.

EXAMPLE: A gymnast scores 8.2 on Beam; 5th place, 8.8 on Bars; 3rd place, 7.1 on Vault; 10th place and 9.0 on Floor; 2nd place. The gymnast's total All-Around Gymnastic score is 33.10, which will determine an AU-Around place in her age group and level. This place/score does not earn Society points. However, 5th place earns 6 points, 3rd place earns 8 points, 10th place earns 1 point and 2nd place earns 9 points (according to the table on page 31), for a total of 24 Society points.

A gymnast may compete in only 1 or 2 events and still earn Society points if he/she places in the top ten. However, by not competing in the required amount of events for all-around, the gymnast will not earn the participation point.

SECTION II - UNIT 2 TRACK & FIELD SCORING

1. Upon recommendation of the NHPEC the above scoring table is to be used in tabulating Society and individual points.
2. For individual points the competitor's score for each event is to be totaled and become the All-Around Track & Field score. This score is to determine individual awards in each of the age groups. The All-Around score does not earn Society points.
3. Each individual event for a competitor that earns 1st thru 10th place shall earn Society points according to the table above.

EXAMPLE: A competitor places 5th in Shot Put, 1st in Standing Long Jump, 2nd in Dash and 5th in Hurl Ball for a total of 31 points (according to the table on page 31). The 31 points is used to determine the All-Around place in the competitor's age group. The competitor has earned 31 Society points.

A competitor may compete in only 1 or 2 events and still earn Society points if he/she places in the top ten. However, by not competing in the required amount of events for all-around, the competitor will not earn the participation point.

SECTION II - UNIT 3
NATIONAL GOLF & NATIONAL SOFTBALL TOURNAMENT SCORING

1. When the National Golf Tournament and/or National Softball Tournament are held in conjunction with the National Festival, all participants for Golf and/or Softball will earn one participation point to be added towards their Society points for the National Festival.
2. Participants for Golf will also earn Society points based on their award received in their tournament, according to the table on page 31.
3. Softball teams will earn Society points based on their place earned as follows: 1st - 60 points, 2nd - 54 points, 3rd - 48 points (etc. -decreasing 6 points per place). If a team has players from several societies, the Society points for that team will be prorated among the Societies according to each Societies' percent of participation.
