**The Festival has closed and all of the results have had their official totals calculated! Thank you to New Ulm Turners Hall for hosting this historical event for all of our societies and members to enjoy. The weather was very trying to participants and spectators with record highs reaching almost 100 degrees each day, but a little heat won't rain on the Turners Parade!**

**The Turner Hall held the Cultural competition in their beautiful banquet room and had their Rathskeller open with great history and beautiful woodwork to showcase to all. The food and beverages made the evenings roar with good times by all. A band and beer garden were a great celebration the night before the closing of the Festival.**

**We're excited to see who is going to host the next National Festival in 2027!**

**Will it be your society??**

**CONCORDIA TURNERS**  
**TAKES 1ST PLACE!**

# SPECIAL THANKS

To our Retiring National Health and PE Chairperson,  
**Michelle Lesperance**,

Your years of dedication to the American Turners and each event that you personally made happen are truly the reason American Turners is still thriving within our motto "Sound Mind Sound Body". You are what being a Turner is all about!

~ From All American Turners ~

Thank you New Ulm Turner Hall!  
 All of your facilities, staff, volunteers and members made this Festival fun and unforgettable! All of you made this event possible. Thank you from All of American Turners!

Special Thanks to Fred Sontag!  
 His scoring program that he developed years ago has pulled off another great National Festival with result times so quick we couldn't even get the ribbons ready to be awarded fast enough! Thank you for your time invested into making this possible!
