GREETINGS FROM THE PRESIDENT

Greetings Turner Members,

I hope this message finds you all doing well in the New Year having enjoyed the holidays with family and friends. The New Year brings with it new initiatives and some lingering projects that still

need to be attended to.

As to the latter, we have updated the National Administrative Assistant's Job Description and Compensation Package. The Executive Committee is very happy to report that Kathi Colton has accepted both and has been hired as our permanent NAA. Kathi has been working on a temporary basis since last August. She has done a great job and we feel very fortunate to retain her.

Two ongoing projects are the update of our By-Laws and the O&P Manual. At the time of this message, the By-Law Committee has 14 new resolutions to present at the Convention in Clinton this August. See the Vice President's report in this issue of the Topics for more information regarding these resolutions. The O&P manual is updated and posted on the website.

New initiatives are in the works through the progress of our Strategic Planning and Marketing Committee. The main project underway is the potential Young Adult Leadership Conference to tentatively take place in conjunction with the National Convention in August. We are looking for Young Adults ages 18-29 to attend the conference. If you have people interested in attending, have them contact me at president@amturners.org. As we get more details in place we will keep you updated via email blasts, on our website and through your District Representatives.

As I mentioned above, the National Convention and National Council meeting will take place at the Clinton Turn Verein in Clinton, MA August 7-9. The host hotel will be the DoubleTree Hotel by Hilton located at 99 Erdman Way in Leominster, MA. A room reservation link has been completed and is posted on our website and the flyer is part of this Topics newsletter.

I am honored and humbled to serve as the President of this historic and meaningful group called the American Turners. We have "True Turners" working at all levels to make this an organization you can be proud of.

Til the next time,

With Turner Regards,

John E. Beary, Jr.

President

A MESSAGE FROM YOUR VICE PRESIDENT

Greetings to my fellow Turners,

It's exciting that we have entered into a new year. Our goal in 2026 is to improve communication and increase involvement in American Turners.

I have been working with the Bylaws Committee for the last few months. We have gone through the bylaws and have found several areas that need either updating or clarification. The resolutions pertaining to the proposed changes will be sent to your District President and then distributed to the societies for review and discussion. We are hoping that many of you join us at the National Convention at Clinton Turners in August to vote on these very important resolutions. You will be an integral part of our organization's operations.

The National Convention is also the place you will gain information on all aspects of the American Turners, including our financial status, what's new with cultural, bowling and future athletic events. There will also be information available for the National Festival, which will be next year at New Ulm Turners. Of course, gemütlichkeit is something we all look forward to with our fellow Turners.

I look forward to seeing you in Clinton, but in the meantime feel free to contact me anytime with questions or concerns you may have. I'm hoping that 2026 will be a good year for all.

WORKING TOGETHER MAKES A DIFFERENCE

A collaborative effort made by Aurora Turner Cub members, gymnast's fund raising, donation from the American Turners Jahn Education Fund and the Endowment Trust Fund came together to replace Aurora's large gymnastics mat that had provided 20+ years of tumbling, floor exercises and other routines.

AVERY BLUHM GOING TO NASTIA LIUKIN CUP

East Side Turners recently hosted the annual Chellsie Classic Gymnastics Championship in New Berlin, WI, from January 23–25. The event featured over 2,000 gymnasts competing in Men's, Women's, Adult, and Tumbling & Trampoline divisions.

Notably, this competition served as a qualifying meet for the Nastia Liukin Cup, held in Las Vegas this March alongside the American Cup International Championships. To qualify, a gymnast must win the Level 10 division; only 16 junior Level 10 gymnasts nationwide earn a spot at this prestigious event.

Avery Bluhm won the Chellsie Classic with a 37.825 all-around score, securing her place in Las Vegas. Her performance included a first-place finish on floor with a 9.55, featuring a back triple twist and a front handspring to a double-twisting front. She also won vault with a 9.575 for her back handspring on the table and a full twisting somersault off.

Avery is a 15-year-old sophomore whose talent has already drawn recruitment interest, with coaches from the University of Iowa and the University of Minnesota visiting our gym to observe her training.

Best regards,
John Wamser

The best way to combat the winter blues is to get up and move. Exercise triggers the release of endorphins, the body's natural mood lifters and painkillers, leading to feelings of happiness, reduced stress, lower anxiety, and an improved sense of well-being. Cheers to a happy and healthy 2026 for all.

2025 CENTRAL STATES DISTRICT CULTURAL COMPETITION

This past year we once again hosted the Central States District Cultural Competition at the American Turners Toledo Oktoberfest. Each year involvement is growing and this year we had four societies participate: Toledo, Michiana, Fort Wayne, and River City. In addition to more societies, we had an influx of entries from each participating society! We had over 70 entries across all ages! Many attendees of the event stopped to admire the work our Turners had to display, this was also a great time to give a brief statement on what the Turners are and how to get involved. I want to thank everyone who participated as we had an amazing display this year. I would also like to thank Deb Martin and Sabine Croley for helping me with this contest.

With Turner Greetings,

Hannah Schultz - Central States District Cultural Chairman

TOLEDO TURNERS OKTOBERFEST

Oktoberfest 2025 was one for the books! American Turners Toledo has hosted their 3rd Annual Oktoberfest on September 27th at Oak Shade Grove in Oregon, Ohio. The day was packed with festivities including performances, music, sport and cultural competition, and more! Members began setting up for the event early in the morning.

We kicked off at 2pm with the start of the European Car and Motorcycle show followed by a performance from the Bavarian Sports Club Kinder Gruppe. New this year, we had an Opening Ceremony with our phenomenal Master of Ceremonies Tim Keefer. This included a parade featuring society princesses and flags, a blessing from Fr. Chris, and the retirement ceremony of the Deutsche Volkstanz Gruppe tracht with the celebration of the new outfits.

The Toledo Swiss Singers, Deutschmeister Band, and our own Deutsche Volkstanz Gruppe performed throughout the day. Another new addition this year was the Schluederball (Hurl Ball) throwing competition as well as a Masskrugstemmen (Beer Stein) holding competition.

The event once again hosted the Central States District Cultural Competition which featured four societies and an influx of entries leading to an amazing display. This event wouldn't be complete without good food and drink! Our remarkable kitchen chairman April Weber made sure no one left hungry with an amazing menu featuring the fan favorite currywurst!

The bar had a variety of choices including a German Beer Tasting which gave a tour of Germany through drink. Our attendees love this tasting hosted by Turner Perry Schwemmin who has an abundance of knowledge in the field and handpicked the tasting menu. Overall, we had great weather and gemütlichkeit! We look forward to next year!

DISTRICT BOWLING TOURNAMENT RETURNS TO MONACA TURNERS

After nearly six years, the Monaca Turners proudly welcomed back the District Bowling Tournament, marking a new chapter in our club's bowling history. This long-awaited event became possible thanks to the complete rehabilitation of our bowling alley, a project that began in June 2025. By September 2025, the bowling alley had been transformed with brand-new pinsetters, ball returns, monitors, and flooring. As one organizer shared, "The upgrades have truly breathed new life into our venue, and it's wonderful to see everyone coming together again."

The first leg of the tournament took place on November 15th and 16th, featuring spirited competition between three dedicated teams: Beaver Falls Turners, Rochester Turners, and Monaca Turners.

The competition will continue over several months, with matches scheduled periodically, leading up to the highly anticipated final event in March 2026. One bowler commented, "It's fantastic to compete in such a friendly atmosphere. The shared excitement is contagious—everyone's eager for the next round!"

At the conclusion of the tournament, bowling plaques engraved with the names of the winning teams will be awarded. These plaques will remain with the champions until the start of the next year's tournaments, symbolizing both victory and the enduring spirit of our bowling community. We're thrilled to have revived this cherished tradition and look forward to seeing even more memories made in the coming months.

TURNER HALL RECEIVES FUNDING FOR HISTORIC STRUCTURE REPORT

Turner Hall of New Ulm was awarded a \$20,000 matching grant from The Jeffris Family Foundation to fund a Historic Structure Report.

NEW ULM – The historic Turner Hall of New Ulm is getting a full historical analyses this year, thanks to a \$20,000 matching grant to fund a Historic Structures Report. The Jeffris Family Foundation of Janesville, Wisconsin, is dedicated to preserving important historic buildings in small and mid-sized communities across the Midwest. Through its Jeffris Heartland Fund, the foundation offers matching grants to support advanced planning.

The \$20,000 grant awarded to Turner Hall will fund a Historic Structure Report (HSR), a document that is used as a guide for future restoration and capital project. A HSR will combine architectural history, archival research, and detailed building analysis to assess conditions, prioritize repairs, and recommend treatment strategies.

“Turner Hall has been at the heart of New Ulm for more than 160 years,” Daniel Hoisington, Board President of New Ulm Turner Hall, said. “This grant helps us do the careful homework that a building like this deserves. With the Historic Structure Report in hand, we can make smart, phased decisions that protect Turner Hall for future generations.”

“Jeffris grants are competitive and focused on places of real historic significance,” Turner Hall Executive Director Andrea Boettger said. “Their support is a strong vote of confidence in Turner Hall’s importance—not only to New Ulm’s story, but to the broader history of German-American life in the Midwest.”

Turner Hall, founded in 1856, is listed in the National Register of Historic Places and is home to Minnesota’s oldest bar and gymnastics program. The Rathskeller restaurant is home to many historic murals. The HSR will address the full property, including structural needs, accessibility, mechanical systems, Turner Hall Park, and the preservation of character-defining historic features.

Boettger said she and the board had great aspirations for Turner Hall. There are a number of capital projects they would like to complete in the future, including renovation of the third floor and creating new education and activity spaces. The Jeffris Family Foundation requires an approved HSR before considering larger capital campaign challenge grants, making the HSR an essential first step in Turner Hall’s long-range preservation plans.

Boettger said it would take around six months to complete the HSR.

The \$20,000 grant from Jeffris Heartland Fund does require a local \$20,000 match. Community members and friends of Turner Hall are invited to participate through gifts of all sizes over the coming months.

“This is truly a community project,” Hoisington added. “Our founders built the first Turner Hall. Now it’s our turn to step up and ensure this landmark remains strong, safe, and welcoming for the next 100 years.”

Details about the fundraising campaign and the Historic Structure Report project will be posted at www.newulmturnerhall.org and shared on Turner Hall’s social media channels as the work moves forward.

The \$20,000 matching grant will be used by Turner Hall to compete a Historic Structure Report (HSR), a document that is used as a guide for future restoration and capital project. It is an essential first step in Turner Hall’s long-range preservation plans.
